Fireworks in February, the Intermountain Area's Premier Annual Event to raise funds in support of the July 4 Fireworks Display for the benefit of the community, is funded entirely through the efforts of the Burney Rotary Club and its sponsor partners. For this year's event, 15% of the proceeds from the event will be donated to our SCHOOLS to help fund projects benefitting our students that would otherwise go unfunded. Please help to support this important community event with your sponsorship commitment for our event to be held February 6, 2016.
